

**CUSTOMIZED SUPPORT TO MEET  
CHILD AND FAMILY NEEDS**

Tri County ResourceNet was developed to provide information to families with children and adolescents having emotional and behavioral health care challenges. The network also serves children ages 5-21 with substance use, developmental and intellectual disabilities, as well as their families.

Tri County Care Management Organization is a non-profit organization providing care management and service planning for children with complex needs. We meet youth and families where they are in their homes, schools and communities - focusing on strengths to create and benefit from:

- An Individualized Service Plan
- Development of Child and Family Team
- Customized supports
- Flexible services
- Increased choice and family independence

Visit our website to learn about services and supports available to help families (including parents, grandparents, siblings and extended family members).

Management Organization**

## DEDICATED TO THE CHILDREN AND FAMILIES

Tri County ResourceNet is a free web tool that provides a wide range of information about support, resources, and services available to families in Somerset, Warren, and Hunterdon Counties in New Jersey.

Tri County Care Management Organization understands that the health, wellness, and safety of the family matters. In affiliation with our system of care and community partners, we bring together resources to meet the current needs of children and their families with complex behavioral, emotional, social and mental health challenges. Our primary objective is based upon the principle of keeping families strong.

Our services are available to all families in Somerset, Warren, and Hunterdon Counties, and extend well beyond helping children with mental and physical disabilities. We are partners with children, their families, schools, and communities for a comprehensive, integrated, strength-based, accessible, and accountable system of care.

PerformCare can help a parent or guardian connect their child to NJ Children's System of Care services. Staff are available 24 hours a day, 7 days a week to provide individualized care to eligible children.
